

HERITAGE HIGHLANDS TENNIS ASSOCIATION

The HH Tennis Association is comprised of community residents who are active tennis players or supporters of tennis activities at Heritage. Officers are elected annually.

The Association has three primary responsibilities:

- 1) Promote tennis at Heritage Highlands
- 2) Protection of the tennis facilities and assets
- 3) Organize and oversee tennis activities

The Tennis Association currently has more than 120 dues-paying members. Skill levels range from new players just taking up the sport to advanced players.

Association members are given a key for access to a ball machine after undergoing a brief orientation session on its use. Other Heritage Highlands residents who have gone through the orientation also may use the machine by getting a key from the front desk Monday through Friday.
