

HOA STANDING COMMITTEE & OPERATIONAL SUPPORT TEAM VOLUNTEER FORM

Your HOA is always looking for skilled and interested volunteers to help keep our community running smoothly and efficiently. Some of our Standing Committees and Support Teams require special training and experience. Other Committees and Teams are more interest or hobby based. Realizing that our HOA could benefit from the input of its members who have specific educational background, certification, license, interests, or on the job experience, all completed forms will be kept for HOA reference. **After completing this form, drop it off at the HOA desk in the clubhouse. We appreciate your service to the community.**

I am interested in serving on the following Standing Committees or Support Teams:

HOA Standing Committees

- Architectural and Landscape Compliance
- Audit
- Board Policy and Administration
- Elections
- Financial Affairs
- Infrastructure and Facilities

Operational Support Teams

- Safety
- Golf
- Activities
- Fitness Center
- Communications
- Golf Handicap
- Marketing Task Force

I would be happy to help but prefer to give some hours/weeks to short term projects rather than serve on a Standing Committee or Support Team.
